

THE REGULATION OF THE “REVIVE MOLDOVA II” CAMPAIGN

This Regulation is approved by the “EDELWEISS Foundation (Organizer), the Ministry of Health” (General Partner), PMSI Mother and Child Institute (Co-Partner) and PMSI the Republican Centre for Medical Diagnostic (Co-Partner) in order to organize and conduct the “Revive Moldova II” Campaign, hereinafter – Campaign.

The Campaign will be conducted under the terms and conditions set by this Regulation which are compulsory for the Organizer, General Partner, Co-Partners, Beneficiaries and other third parties.

DEFINITIONS

- **Regulation of the “REVIVE MOLDOVA” Campaign** – is a document developed according to the current legislation of the Republic of Moldova, approved by the Organizer, General Partner and Co-Partners which establishes the terms and conditions to carry out the Campaign.
- **“EDELWEISS” Foundation (Organizer)** – is a non-governmental, non-profit and apolitical organization from the Republic of Moldova with the mission to contribute to society development by drafting and implementing projects in the social, cultural and educational sectors.
- **Ministry of Health (General Partner)** – is a legal entity of public law which is the central sectoral body of the public administration specialized in health and is subordinated to the Government.
- **PMSI Mother and Child Institute (Co-Partner)** – is the institution of the republican level in the field of obstetrics, gynecology, neonatology and pediatrics (somatic and surgical).
- **PMSI the Republican Centre for Medical Diagnostic (Co-Partner)** – is a Republican center of investigation and implementation of new technologies in detection and diagnosis of various diseases and pathologies.
- **Beneficiaries** – children aged 0 – 18 years
- **Territory of application of the Regulation** – the Regulation is applied on the territory of the Republic of Moldova.
- **Territory of the Campaign** – the territory of the Republic of Moldova.
- **Mobile Pediatric Cabinet** – trailer with all the necessary equipment that must include a usual pediatric cabinet.
- **Donor** – any individual or legal entity (third persons) that contributes to carrying out the Campaign and donates funds, goods, etc.

I. GENERAL PROVISIONS

- 1.1. The name of the Campaign is – “Revive Moldova II”.
- 1.2. The Campaign will be conducted between April 01, 2016 and December 31, 2016.

- 1.3.** The aim of the Campaign is to provide consultation to minor children from a pediatrician and a sonographer to identify and prevent serious diseases that can occur in children, and also an early intervention by providing necessary treatment.
- 1.4.** The Campaign will be conducted on the whole territory of the Republic of Moldova.
- 1.5.** Throughout the Campaign visits with a pediatrician, sonographer and a medical assistant in localities of the Republic of Moldova are planned according to a schedule published on the Organizer's website www.edelweiss.md.
- 1.6.** The Campaign aims to inform the general public about the importance for children to be consulted by doctors in time to avoid serious diseases that may occur.
- 1.7.** For public disclosure, the Regulation is published on the Organizer's official website www.edelweiss.md. The Regulation can be viewed by any interested person and is offered absolutely free.
- 1.8.** The Organizer and the General Partner by mutual agreement reserve the right to modify any of the conditions set by this Regulation during the Campaign period, but not before informing the public about these changes.
- 1.9.** The ultimate objective of the Campaign is to consult at least 7200 children aged 0 – 18 years from the villages located far away from the Health Centers on the territory of the Republic of Moldova according to a visit schedule that will be published on the Organizer's website www.edelweiss.md.
- 1.10.** At the end of the Campaign some ambitious targets are planned to be achieved with social impact at national level: reduction and prevention of diseases in children, as well as early intervention by providing treatments – for all population groups from all over the country.

II. CARRYING OUT THE CAMPAIGN

2.1. The Campaign will be conducted in the following way: a trailer refitted in a Mobile Pediatric Cabinet together with 4 (four) medical specialists will visit about 102 – 110 localities (villages) from the Republic of Moldova and will provide free consultations to over 7200 beneficiaries (patients aged 0 – 18 years). The specialists are: two resident pediatricians or two pediatricians, a sonographer, a medical assistant.

2.2. The Organizer's responsibilities are:

- to sponsor the costs of medical investigations and medical consumables that will be used in Campaign;
- to identify the brand of the Mobile Pediatric Cabinet (trailer);
- to seek approval from local authorities for the visits within the project;
- to ensure the trailer towing costs (the Mobile Pediatric Cabinet);
- to make available all the promotional, information materials about the "Revive Moldova II" Campaign;

- to ensure the logistics of the route: to coordinate with the doctors the place and time of departure, to identify the trailer parking place, to coordinate with the local authorities, etc.;
- to organize and sponsor accommodation and food for the personnel involved in the project: 4 medical specialists and 1 (one) driver, if necessary;
- to invite the media at the event, if appropriate, to inform the population about the possible changes in the route, to publicize visits in the territory.

- 2.3. The General Partner's responsibilities are:

- to identify and select the localities according to two criteria: 1. Localities (villages) are far away from the Health Centers or 2. There is no family doctor;
- to supervise and consult the Organizer and Co-Partners about the medical services included in the Campaign, as well as the medical equipment;
- to provide information necessary for informative posters that will be distributed to Beneficiaries;
- to collect data from the rural localities and their rendering to the competent institutions depending on the diagnoses made or the ones that could be prevented and the result of the visits (the number of children investigated, number of children found to have serious diagnosis, how many children are redirected to other medical specialists, etc.).

2.4. The Co-Partner's (PMSI Mother and Child Institute) responsibilities are:

- to ensure the first-aid kit that shall be replenished every morning before the pediatric cabinet starts for the route;
- to make available and identify the competent and qualified medical personnel involved in the Campaign and namely: the list of the resident pediatricians or the pediatricians;
- to make available to the Organizer the contact details of the medical personnel involved in the Campaign;
- to ensure the trailer with the equipment necessary to provide consultations by a pediatrician or resident pediatrician;
- to carry responsibility for the established diagnoses and the treatment prescribed by the resident pediatricians or pediatricians.

2.5. The Co-Partner's (PMSI Republican Centre for Medical Diagnostic) responsibilities are:

- to ensure with a free ultrasound machine for the entire period of the Campaign;
- to make available and identify the medical personnel involved in the project and namely: the list of sonographers and medical assistants included in Campaign;
- to make available all the necessary consumables (gel, dry wipes, other) to consult the Beneficiaries at the highest level;
- to carry responsibility for the diagnoses established by the sonographer and the medical assistant delegated by the PMSI Republican Centre for Medical Diagnostic.

2.6. The Campaign will be launched in April 2016 and will include the following stages:

- Stage I – carrying out visits with 2 (two) pediatricians (resident pediatricians), a sonographer and a medical assistant in 102 - 110 localities in the Republic of Moldova, published on the Organizer's official website www.edelweiss.md starting with April 13, 2016;
- Stage II – data collection from rural areas and their rendering to the competent institutions depending on the diagnoses that will be detected or the ones that could be prevented;
- Stage III – the result of the visits.

2.7. The Organizer shall not be responsible for the treatments prescribed by the doctors or the diagnoses established.

III. MEDIATIZATION

- 3.1. The main source of information of citizens is broadcasting of social ads on the TV channels and radio from the Republic of Moldova.
- 3.2. The Campaign will be promoted through various cultural, educational or social activities that will encourage parents to come with the Beneficiaries (their children) to medical consultations.
- 3.3. Any Donor will have the possibility to participate in donation along with the Organizer and General Partner observing the Regulation of the Campaign.

IV. TERMINATION AND SUSPENSION OF THE CAMPAIGN. FORCE MAJEURE

- 4.1. The Campaign may be terminated prematurely in case of an event of force majeure or unforeseeable circumstances, as laid down by the current legislation of the Republic of Moldova which hinder the implementation of the Campaign in suitable conditions.
- 4.2. Force Majeure means any external, unforeseeable, absolutely invincible and unavoidable event that makes the Organizer unable to fulfill its obligations under this Regulation.
- 4.3. General Partner and Co-Partners, as well as the Organizer are released from liability in the event of early termination of the Campaign in case of an event of force majeure or unforeseeable circumstances.
- 4.4. The Campaign may terminate before the end of the established period or may be suspended at any time based on the Organizer's decision.

V. LITIGII

- 5.1. Any possible disputes between the Organizer, General Partner, Co-Partners and the third parties on any issue related to the implementation of the Campaign shall be settled amicably and in case an amicable settlement is impossible, the disputes shall be settled by the competent courts of the Republic of Moldova according to the current legislation of the Republic of Moldova.

VI. FINAL PROVISIONS

- 6.1. The Regulation is developed and made public according to the applicable legislation in the Republic of Moldova and is available for the entire duration of the Campaign on www.edelweiss.md;

6.2. This Regulation enters into force on the date of approval and is valid for the entire period of the Campaign.
